**Schedule for MassDEP's Report on
Site Suitability for Site Assignment**
Application # BWPSW01
Transmittal Number: #X254488
Facility No. 558260

Dear Mr. Barletta and Board of Health Members:

The Massachusetts Department of Environmental Protection (MassDEP) has received all public comments concerning TLA-Holbrook's Motion for Reconsideration and Motion to Reopen the Record Regarding MassDEP's Negative Report on Suitability for Site Assignment with respect to the above-captioned proposed facility on Phillips Road in Holbrook, Massachusetts. MassDEP has forwarded to TLA-Holbrook (TLA) all comments it has received during the comment period for TLA's review. If TLA wishes to submit further information in response to the comments submitted, any such information is due by December 7, 2015.

MassDEP's October 9 letter to TLA and the Board of Health indicated that MassDEP will complete a review of all the submitted information and make a final written determination after receiving the comments and any information that TLA may submit (which TLA must submit by December 7, 2015).

MassDEP understands that should it issue a positive site suitability report, the Town of Holbrook Board of Health must prepare for holding a public hearing in accordance with 310 CMR 16.020. Such public hearing is required by M.G.L. c.111, s. 150A to be held within 30 days of receipt of MassDEP's report on suitability. In order to provide sufficient notice to the Board of Health in the event that MassDEP issues a positive site suitability report (but in no way indicating whether MassDEP will issue a positive or negative site suitability report), MassDEP expects to issue a written decision on the reconsideration (either amending the original site suitability report or reissuing the original site suitability report) no later than January 19, 2015. MassDEP will
